Steve Briere is back!

Hi there everyone. I am very pleased to be coming back to Scotland to offer Briere's Goalie School. I am currently an NCAA Division I college hockey coach in the USA, I also play professional hockey in the SPHL for the Huntsville Havoc. I used to play in Scotland for the Fife Flyers in the BNL before moving south to play in the EIHL. I ran Briere's Goalie School in the UK for 4 years before returning to America to finish up my Masters Degree from University. As a top level coach I have learned a lot in the last two years and I look forward to bringing my knowledge back to Scotland where I enjoyed my greatest years of hockey.

We are also extremely proud of our numerous other goalie instructors, many of whom are graduates of Briere's Goalie School.
