Payments Terms

Payments will be taken on a monthly basis which will be equal to no less 1/10 of the applicable yearly membership e.g. £600 per year membership = £60 payment per month.

Once registered a player / parent where applicable, are liable for full membership payments for the year. Any defaults in excess of 1 month's fees will result in the player being suspended until all debts have been cleared in full. Please note if you are suspended you are still liable for your fees. If payment is made in full at the beginning of the season 10% discount will apply. All fees are pro-rata i.e. if you join half way through the season you will be liable for 50%.

I give permission for my child to be photographed during training sessions/Games and any other activity that is arranged by the club. I understand that at times whilst photos are being taken of other children my child's photo may also appear in their pictures and I give my permission for this. I am also aware that my child's photo may be used for media pictures and other public events and I am also happy with this taking place.

Also by signing this you are accepting that you have read and agree to the payment terms as detailed in the previous section of this form.
